

The 2018 Blai Society Membership

Commemorating our 2018 membership year, the 70th of our existence, The Blai Society Membership is the highest level of annual membership we offer. Honoring the LBIF's founder and original patron, Boris Blai, the Society boldly carries forward his artistic legacy and vision through providing financial support that ensures the Foundation's mission will continue to impact new generations of families.

Blai Society memberships support LBIF's operating budget. Each year, LBIF incurs more than \$50,000 of general maintenance and repair expenses. Through the foundational support of the Blai Society, LBIF's annual upkeep will be provided for, which will enable the Foundation to launch a five-year capital campaign focused on the expansion of our amenities and the permanent preservation of the grounds.

Each Blai Society membership includes up to two related participants or one family (e.g. Todd & Jessica Smith or The Smith Family). Included in each \$2,500 Blai Society Membership are:

- annual name recognition on a plaque on LBIF's front door
- special Blai Society personal recognition at all LBIF events
- first access to LBIF's art openings and parties
- invitation to the annual Blai Society Membership cocktail party
- Blai Members who joined before January 1, 2018 ONLY*: VIP seating and 2 fully transferrable tickets to all LBIF-sponsored events, including:

- Lighthouse Film Festival: retail value \$240
- Concerts (3 jazz and 1 performance): retail value \$250
- House Tour: retail value \$100
- Fund the Foundation & Shellfish Soiree: retail value \$200
- Gala: retail value \$360

Payment for Blai Society memberships may be made via check to LBIF mailed to 120 Long Beach Blvd., Loveladies, NJ 08008 or online at:
